PROFESSIONAL SUMMARY

Senior iOS Tech Lead at Pinterest with 5+ years of experience scaling mobile applications for hundreds of millions of users in a remote-first environment. Second-in-command of 5-person iOS team, leading architecture migration (Objective-C → Swift/MVVM) to improve code maintainability and facilitate new feature development. Expert in remote technical leadership, mentoring international teams and reducing onboarding time by 50%.

PROFESSIONAL EXPERIENCE

Senior iOS Tech Lead

Aug 2023 - Sep 2025

Pinterest

- Led architecture migration (Objective-C → Swift/MVVM) improving code maintainability and facilitating new feature development.
- Reimplemented 3 core features (Updates, Comments, Home) serving 450M+ monthly users with 99.9% crash-free rate.
- Recognized as most productive engineer on 60+ person team, consistently delivering above-average results over 2 years.
- Serve as technical reference for complex architecture questions and assume leadership during tech lead's absence.
- Led code review process: 200+ PRs/month, maintaining 95% quality score and reducing critical production bugs by 30%.
- Established remote mentorship program with weekly office hours, reducing onboarding time by 50% (from 3 months to 6 weeks).
- Increased unit test coverage from 60% to 85%, ensuring stability and confidence in continuous delivery pipeline.
- Achieved WCAG 2.1 AA compliance across all features, benefiting 10M+ users with disabilities.

iOS Developer

Oct 2020 - Aug 2023

Instituto de Pesquisas Eldorado

- Developed and published WEMOB (electric mobility) and Márcio Atalla (fitness/health) apps.
- Introduced code review practices, junior mentoring, and structured onboarding.
- Implemented CI/CD pipelines with Fastlane, GitLab CI, and TestFlight.

Student and Resident

Dec 2018 - Dec 2020

Apple Developer Academy

- Intensive training in Swift, UIKit, SwiftUI, and product-oriented development.
- Delivered 5+ iOS apps from prototype to MVP following HIG.
- Applied design thinking and accessibility practices.
- Promoted to Resident, acting as mentor and collaborating on internal projects.

TECHNICAL SKILLS

iOS Development:

Swift, Objective-C, SwiftUI, UIKit, Combine, Async/Await, Core Data, Texture (AsyncDisplayKit), URLSession, GCD, SwiftData, Swift Charts, WidgetKit, App Intents

Testing & Quality:

XCTest, Snapshot Testing, UI Testing, TDD, Code Review Leadership, Performance Optimization, Memory Management, Instruments Profiling, Unit Testing, Integration Testing

Architecture & Design:

MVVM, MVC, VIPER, SOLID Principles, Clean Architecture, Dependency Injection, Protocol-Oriented Programming

Tools & DevOps:

Xcode, Fastlane, GitLab CI, GitHub Actions, Buildkite, TestFlight, App Store Connect, Firebase, CocoaPods, Swift Package Manager

Accessibility & Standards:

VoiceOver, Dynamic Type, Accessibility Inspector, WCAG 2.1 AA, Apple HIG Compliance

Remote Leadership:

Technical Mentoring, Distributed Team Management, Cross-functional Collaboration, Agile/Scrum Leadership, Onboarding Program Design, Remote-first Culture

Languages:

Portuguese (Native), English (Fluent - C1/C2)
