PROFESSIONAL SUMMARY

Senior iOS Tech Lead with 5+ years of experience scaling mobile apps to hundreds of millions of users in a remote-first environment. Led large-scale architecture migration (Objective-C → Swift/MVVM) for a distributed team of 60+ engineers, reducing technical debt by 40% (~2,000 annual hours saved) and improving deployment frequency by 25%. Expert in distributed leadership, mentoring international teams across multiple time zones, cutting onboarding time by 50%, and delivering high-quality, accessible mobile experiences.

PROFESSIONAL EXPERIENCE

Senior iOS Tech Lead

Aug 2023 - Dec 2025

Pinterest

- Led Objective-C → Swift/MVVM migration for 60+ engineers, reducing technical debt by 40% (~2,000 annual hours saved).
- Rebuilt 3 core features (Updates, Comments, Home) used by 450M+ users with 99.9% crash-free rate.
- Implemented global mentorship program with weekly office hours across 4 time zones, reducing onboarding time by 50% (3 months → 6 weeks).
- Reviewed 200+ pull requests per month, ensuring 95% code quality adherence and enforcing Clean Code standards.
- Increased unit test coverage from 60% to 85%, reducing production bugs by 30%.
- Achieved WCAG 2.1 AA accessibility compliance across iOS app, supporting 10M+ users with disabilities.
- Collaborated cross-functionally with PM, Design, and Data teams to influence roadmap.

iOS Developer

Dec 2020 - Dec 2022

Instituto de Pesquisas Eldorado

- Developed and launched two production apps: WEMOB (electric mobility) and Márcio Atalla (health/fitness).
- Introduced code review practices, mentored juniors, and streamlined onboarding.
- Implemented CI/CD pipelines using Fastlane, GitLab CI, and TestFlight.

Student & Resident

Dec 2018 - Dec 2021

Apple Developer Academy

- Completed intensive training in Swift, UIKit, SwiftUI, and product-driven development.
- Delivered 5+ iOS apps from concept to MVP following Apple's HIG.
- Applied design thinking and accessibility-first practices.
- Promoted to Resident, mentoring new cohorts and collaborating on academy-wide projects.

TECHNICAL SKILLS

iOS Development:

Swift 5.9, Objective-C, SwiftUI 5.0, UIKit, Combine, Async/Await, Core Data, Texture (AsyncDisplayKit), URLSession, GCD, SwiftData, Swift Charts, WidgetKit, App Intents, Core ML

Testing & Quality:

XCTest, Snapshot Testing, UI Testing, TDD, Code Review Leadership, Performance Optimization, Memory Management, Instruments Profiling

Architecture & Design:

MVVM, MVC, VIPER, SOLID Principles, Clean Architecture, Dependency Injection, Protocol-Oriented Programming

Tools & DevOps:

Xcode 15, Fastlane, GitLab CI, GitHub Actions, Buildkite, TestFlight, App Store Connect, Firebase, CocoaPods, Swift Package Manager

Accessibility & Standards:

VoiceOver, Dynamic Type, Accessibility Inspector, WCAG 2.1 AA, Apple HIG Compliance

Remote Leadership:

Technical Mentoring, Distributed Team Management, Cross-functional Collaboration, Agile/Scrum Leadership, Onboarding Program Design, Remote-first Culture

Languages:

Portuguese (Native), English (Fluent - C1/C2)

EDUCATION

Bachelor's in Computer Engineering

UNICAMP | 2017 - 2022
